## New Middle East Proposal Given UN By United States

### Home Owners Urge 'Yes' Vote Tuesday

Takes Action After Studying Bond Procedure

Palm Springs Home Owners League today came out in favor of the \$3,850,000 Sewer Bond Election, March 19 and asked the support of the project by local residents.

The League reached the decision after receiving a statement of procedure from City Manager R. W. Peterson, listing the steps to be taken in establishing the system.

THE SPECIAL COMMITTEE for the League reported that "After making this investigation and upon the assurance we have received from the City Council, it is the considered opinion of our committee that the Palm Springs Home Owners League urge that the voters vote 'yes' and permit the installation of the sewer program to proceed."

"No one questions the urgent need for a sewer improvement program in this city."

"WE NOW BELIEVE the program is sufficiently spelled out so that an orderly installation program will develop and that the program of selling bonds only as the various units of construction are required, and with the assurance that after the completion of the sewer installations and as the bonds are retired, a survey will be made periodically so that the service charges will be kept at the lowest possible level."

"We have determined and it is our opinion that the best interest of the entire community will be served by proceeding with the improvement program."

"We feel it would be unthinkable to further delay the installation of this sewer improvement program," added the report, "so again we say 'vote yes' and let's get on with the job!"

The report was signed by League President Ben F. Shearer.

Laurence Chutkan, president of the Association, said that there will also be a discussion of the new Palm Springs Translator station.

### Ike Opposes School Aid Cut

WASHINGTON — President Eisenhower has informed Congress he wants no cuts in his multimillion-dollar school construction program, it was learned today.

### Youth, 16, Saves Cathedral City Post Office From Fire

A 16-year-old Cathedral City boy was credited with saving the Cathedral City post office from destruction by fire last night after kicking in the wall under the mail chute and extinguishing a blaze in the mail box.

Dave Bowman, son of Herbert and Marge Bowman, was the first on the scene after a resident, who was mailing a letter, opened the post office door and yelled that the post office was on fire.

WITHOUT HESITATION, the youth ran into the building, kicked in the wall under the mail chute, pulled the burning mail box from the inside room and put out the fire.

No letters were destroyed. Postmaster Charles Lynn said that few adults would have ventured to kick in the wall of a United States post office, and credited the boy with "an unusual amount of courage and judgment."

"HE SAVED WHAT could have been a serious thing," added the postmaster, "for although the entire post office may not have

### Mundt Accuses Union Treasurer In Lawyer 'Pay'

WASHINGTON — Sen. Karl E. Mundt (R-SD) accused a West Coast Teamsters Union treasurer today of paying the lawyer of an indicted district attorney \$5,000 "for something improper."

Mundt threw the charge at R. Reg Mikesell, secretary-treasurer of Teamsters Council 37, after the union official told the Senate Rackets Committee he had "no idea" why the payment was made.

A black red-trimmed account book showed the \$5,000 was paid last August to K. C. Tanner, Tanner was identified as a lawyer representing Multnomah County Dist. Atty. William E. Langley.

Other witnesses have said the teamsters helped to put Langley in office as part of a conspiracy to grab control of Portland's rackets. Portland is in Multnomah County.

### Designed to End Conflict Over Gaza

Egypt, Israel Continue Talk Of New Strife

By WALTER LOGAN United Press Staff Correspondent

President Eisenhower disclosed today the United States has submitted new proposals designed to prevent the outbreak of another shooting war in the Middle East.

The President, answering news conference questions, said the proposals had been submitted to the United Nations which Mr. Eisenhower said, bears chief responsibility for settling the Israeli-Arab dispute.

HE DID NOT disclose the nature of the proposals which must seek an acceptable middle ground between Israel's determination to fight rather than allow Egypt to return to the Gaza Strip and Egypt's U.N.-supported intention to resume civil administration of the strip "within a few days."

The U. S. proposals were submitted to U.N. Secretary — general Dag Hammarskjold who plans to leave Saturday for the Middle East.

VIOLENCE BROKE out again in the strip Tuesday night when a band of "unidentified" Arabs blew up the only railroad connecting Gaza and Israel and cut all telephone communications.

In Gaza itself demonstrations erupted again today, demanding Egypt's return. There was no violence but posters proclaimed: "Gaza is Egyptian and Arab. Long live Gamal Abdel Nasser." U.N. troops did not interfere.

ISRAELI PREMIER David Ben-Gurion told his Parliament today that Israel "reserves freedom of action" if Egypt returns to the Gaza Strip.

He left no doubt that Israel would feel free to resort to military measures should political negotiations fail to settle the dispute over control of the refugee-packed strip.

### Sales, Use Tax Hit New High In February

Palm Springs merchants chalked up one of their busiest months since last May during the month of February as the city counted \$39,270 in sales tax and use tax receipts.

The biggest February in the last five years was second only to May of 1956 when receipts totalled \$40,739, according to Shelby V. Langford, city director of finance.

Last month's receipts showed a gain of \$2,222 over February of 1956 and a rise of \$5,476 over the January, 1957, figures.

However, Langford pointed out that the tax report is on a cash basis and reflects taxable sales occurring in previous months and quarters.

In addition, increased use taxes took effect last November.

Total tax receipts for the fiscal year to date, from July to the end of February, were set at \$168,607, as compared with \$142,291 for the same period last year.

### Report Brown Ready to Run For Governor

SACRAMENTO — A high-ranking Democrat in the Legislature said today Atty. Gen. Edmund G. Brown was "all set to run" for governor in 1958.

The source, who would not permit use of his name, said that the state's No. 1 Democrat had as his goal in the election next year the gubernatorial seat now held by Republican Goodwin J. Knight.

In San Francisco, Brown denied that he had made any decision on his political future. In fact, he said that he had told eastern Democrats during his recent trip to Washington that "I have not foreclosed the possibility of running for U.S. senator and that I was frankly, very, very, interested."

### Major Civil Defense Test On Disaster Set for Friday

Simulating the shattering effects of a major earthquake, Palm Springs Civil Defense and Red Cross disaster teams will test their preparedness machinery here Friday.

Dozens of vehicles and at least 75 persons are scheduled to take part in the shake-down test of the city's disaster transportation and communications committees.

The public will not participate in the test scheduled for 4:30 p.m. No sirens will be employed.

"WE JUST WANT to make sure our disaster units are prepared to cope with any natural or military disaster," said Bert C. Brown, chairman of the Red Cross Disaster Committee and Civil Defense Coordinator for the Village area.

"So far as I know, Palm Springs is one of the few California cities ready to undertake such an emergency test," Brown noted.

Working with Brown in supervising and coordinating the test is City Manager R. W. Peterson, who is also Palm Springs Civil Defense director.

THE TEST GETS under way at 4:30 with mobilization of the transport and communications teams. Seven radio-equipped trucks will be dispatched to disaster control headquarters at City Hall.

Acting under orders relayed from these units, which will serve as base of communications operations, other radio units will fan out to strategic posts throughout the city.

Radio trucks, provided by Palm Springs builders, contractors the

### Smoke, Smoke That Cigarette At City Council

City Council approved the purchase of 71 ash trays for the new council chambers at a cost of \$131 installed.

The receptacles will be fastened to the back of every other chair in the audience.

LATER, ON REGAINING consciousness, Mrs. Levy told investigators that her "son had hit her on the head with a hammer."

Cabazon's assistant Chief of Police Bill Breitweg, after a preliminary investigation yesterday, called District Attorney William O. Mackey to request help. Mackey sent DA investigators Lloyd Boeler and Donald Archer to the scene, assisted by Sgt. Harlan Hofman of the Banning substation.

On arrival at the scene, officers said that there was a lot of blood in the bedroom and kitchen and on the back porch and on the floor in the living room was a copper mallet which had dried blood and hair on it.

## Fun Squares Plan Dance Thursday

A group of square dancers known as the "Fun Squares" will hold a class for intermediate square dances at the Prairie Schooner Trailer Park at 8 p.m. Thursday.

**THE WIZARD OF OZ** production that will have a matinee performance at the Palm Springs Playhouse Saturday afternoon, will star Anne Wakefield in the role of Dorothy. The wife of John Crawford of the Playhouse cast, Miss Wakefield was on the musical comedy stage in London, and her most recent engagement was a featured role in "The Boy Friend," in which she played Broadway, London and was with the road show company. (Desert Sun Photo).

## Fantasy of Fun, Wizard of Oz, To Be Presented at Playhouse

Michael Ferrall, Playhouse director, today announced the main characters in the Herb Rogers production of "The Wizard of Oz," which will play one performance at 2:30 p.m., Saturday, March 16.

Anne Wakefield, the beautiful young musical comedy star, will be seen as "Dorothy," the little girl who goes "over the rainbow" into the wonderful land of Oz. Miss Wakefield, wife of the talented actor, John Crawford, comes to the Playhouse from her recent success in a featured role in "The Boy Friend." She played in the London opening, then left her native England to continue in the Broadway show and the ensuing tour.

**"DOROTHY" WILL BE** accompanied on her strange journey by Ray Gronowald as the brainless "Scarecrow," Tim O'Connor as the faint-hearted "Lion," and Michael Ferrall as the rusty, clumsy "Tin Woodman." Sidney Breese will be the forbidding "Wicked Witch of the West," Marrian Walters, the "Witch of the West," and Phyllis Flax will play "Glinda, the Good Witch."

Behind the scenes is some real wizardry in Michael Ferrall's ability to handle a number of theatrical operations simultaneously. During this week he is not only playing a part in and directing "The Wizard of Oz," but is also doubling as actor and director of the current showing of "Dear Charles," and has the following week's production, "Good-

by, My Fancy," in rehearsal.

**AS IF THIS WERE** not enough, he is reading scripts and making arrangements for the plays which are to come in the final weeks of the season.

In his "spare time" he will be supervising costumes, lighting, and staging of the three productions that are either made or brewing during the week. Not only does he have to hurdle the mechanics of timing, but also those of space, and the in-the-round stage must expand to the sunny Playhouse patio for rehearsals.

**WHEN ASKED IF** he didn't feel as if he were jumping in all three rings of his particular circus, he laughed and said, "Oh, no, we've done 'The Wizard' before in Highland Park, so it's really nothing at all!"

Tickets for this Playhouse Guild production are on sale now at the Palm Springs Playhouse, on Sunrise Way, near Ramon Road. Children and those young-in-heart adults who accompany them, are urged to come early as only one performance is planned, and there are no reserved seats. There will be pre-curtain entertainment. The \$1 admission is a passport to fantasy and fun in the land where dreams come true.

## Industrial Relations Director Named by Telephone Co.

A new position was created at the staff level of California Water & Telephone Company this month when Ernest T. Aldrich assumed the title of Director of Industrial Relations, according to Fred H. MacGowan, Telephone Division Manager. Aldrich's office will be in the Monrovia headquarters of the Telephone Division.

Aldrich has been in industrial relations since 1929. In that year he started with International Harvester Company and progressed through constantly increasing responsibilities to the position of Regional Supervisor of Industrial Relations. His duties there involved traveling through seven Western states to administer, negotiate and counsel district offices on labor matters.

His service with International Harvester was interrupted by the war. Aldrich spent five and a half years in Army training and combat and received a terminal promotion to colonel.

In January 1953 he left International Harvester to accept the position of Director of Industrial Relations with Weber Showcase and Fixture Company, Inc., a job he held until joining the Telephone Company this month.

## County Supervisors Oppose County Dump Proposal

Preparation of a resolution informing the Los Angeles County Board of Supervisors of this county's opposition to the proposed dumping in its desert area of L.A. County rubbish, was ordered by the board of supervisors this week.

Action followed discussion of a resolution by the Desert Protective Council, Inc. placing itself on record as "decidedly opposed" to a reported plan by L.A. County to dump its rubbish "in remote desert areas."

ACCORDING TO news reports, the L.A. supervisors have ordered their county engineer and their smog control chief to start studies to determine the feasibility of transporting rubbish to the desert by rail and truck.

County Counsel Ray T. Sullivan, Jr., in answer to questions raised, said that it might be possible to control such dumps through air pollution control regulations or adoption of an ordinance requiring all dumps to be operated on a cut and fill basis.

HE SAID SUCH possibilities should be studied but that out and out prohibition of hauling the refuse into this county is not legally possible.

"I don't think it is anything to worry about," said Supervisor Fred McCall.

"I don't agree," replied Sullivan. "I think there is a great deal to worry about."

## Wieland Buys Whiteside Home, Plans Project

Carl Wieland, Los Angeles builder, has purchased the Percy Whiteside home on Paseo de Gracia, it was reported this week.

Wieland is making his home in Palm Springs, and has plans to build stores on North Palm Canyon Drive, where he has recently purchased land.

Sale of both house and commercial property was handled by Peter B. Sheptenko, local Realtor.

The percentage of disposable income spent for drug preparations today is about one-fourth less than it was in 1939, reports the Bureau of Labor Statistics of the U. S. Department of Labor.

## Dr. Goldberg Proposes Psychiatric Unit for County

Authorization suggested by Dr. Benjamin Goldberg of Palm Springs, consultant on county hospital matters, for preparation and presentation to the state hospital commission of a report showing the county's need for a psychiatric building at the general hospital at Arlington, was accorded by the county board of supervisors this week.

Dr. Goldberg estimated cost of such a building together with necessary equipment at from \$450,000 to \$500,000.

Many mild mental cases now have to be committed to the state institution, according to Dr. Goldberg, in which the patients would be better served by local treatment. He said the tendency is toward community care and noted that legislation is presently under consideration which will require that such patients sent to the State institution be returned to the counties.

Immediate action was urged by Dr. Goldberg in order that advantage may be taken of an opportunity to apply for state and federal allocations for the proposed psychiatric unit.

## Carroll Alcott To Be Third Forum Speaker

Carroll Alcott, noted CBS news analyst, will present the third in the current Forum Series of the Palm Springs Adult Evening School at 8 p. m. Thursday evening, March 14, in the auditorium of Frances Stevens School.

Alcott's topic will be "America in the Far Pacific," an analysis of the current scene in the Orient in the light of the series theme, "U. S. Peace Policy Around the World."

ALCOTT COVERED personally, as a working newspaperman and radio broadcaster, most of the events which kept China and the Far East in turmoil from 1926 to the present time. This background has brought him recognition as one of the foremost authorities on the Far East alive today.

He lived for twenty years in the Far East mostly in China, the Philippines, and South Asia, where he was associate editor of The Shanghai Post and Mercury and The Manila Daily Bulletin. In his travels and reporting he acquired vast knowledge of the affairs of the Oriental people.

HE SAW FIRST hand the rise of Chiang Kai-shek, the Sino-Japanese wars which led to Pearl Harbor, and the famines in India and China. He entered radio in China in 1938 and attracted international attention with his broadcasts from Shanghai.

His broadcasts got him into serious trouble with the Japanese and the puppet government in China. Three attempts were made on his life, and he traveled by armored car to and from his home, the radio station, and his newspaper offices.

In his lecture this week Alcott will analyze the American position in the Orient in relation to the Communist strategic. This forum series is an offering of the Palm Springs Unified School District. The public is invited to attend.

## County Fair Now Ranks Sixth From State Top

The Riverside County Fair and National Date Festival held in February of each year on the fairgrounds at Indio, now ranks sixth in importance of the 77 fairs in the state of California, the supervisors were told this week by Fair Manager Bob Fullenwider. This includes the state fair and the Pomona fair.

Fullenwider said that the increase in attendance and revenue this year elevated the fair's rank from eighth to sixth place. The total attendance was increased 33 per cent to 182,345, and the total revenue was increased 29 per cent to \$150,345.

"That is a mighty fine showing," commented Supervisor Paul Anderson, "and we certainly appreciate your management."

Fullenwider said that he in turn is appreciative of the board's cooperation.

## Trailer Park Okeh Granted

Approved by the board of supervisors Monday was an M-3 permit for enlargement of an existing trailer park in the Desert Hot Springs area.

The permittee is G. Venturino. The park is located north of Dillon Road approximately 1000 feet west of Corkhill Road and approximately three-fourths of a mile east of Wide Canyon Road. Approval of the permit was recommended by the planning commission.

## Blythe Meeting Set for April 2

The meeting of the county supervisors with the people of Blythe was set by the board this week for April 2, 1957.

The session will be held in the community room of the Citizens National Trust & Savings Bank in the Desert city at 1:30 p. m. and will be preceded by a luncheon at which the supervisors will be the guests of the Palo Verde Chamber of Commerce at the Blythe Coffee Shop.

## Book on Cancer Presented to Library Here

A copy of the authoritative book "The Truth About Cancer," has been presented to the Palm Springs Public Library as part of the cancer education program.

The book, written by Dr. Charles S. Cameron, long time medical director of the American Cancer Society, was presented to Librarian Dorothy Bear by C. Ronald Ellis, Palm Springs Cancer Crusade chairman for 1957.

Written expressly for the layman, the book has become the subject of national interest as a storehouse of cancer facts and knowledge which has won acclaim as a potential life-saver.

The Riverside County Branch of the American Cancer Society is making the book available to all public libraries in the county.

According to the Veterans Administration, patients undergoing treatment for tuberculosis read about 58 books per year, or more books than all other types of patients combined.

C. RONALD ELLIS, chairman of the Cancer Crusade for 1957 in Palm Springs, this week presented a copy of the authoritative book, "The Truth About Cancer," to Dorothy Bear, librarian at Welwood Murray Library. The Cancer Fund drive is now under way. (Desert Sun Photo).

## Shaver's Summit Junk Yard Denied

On recommendation by the county planning commission the board of supervisors denied an M-3 permit this week for establishment and operation of an auto wrecking and junk yard on property located north of Highway 60-70 at Shaver's Summit approximately 30 miles east of Indio.

Applicant for the permit was Joseph L. Chiriac. The planning commission expressed the opinion that a junk yard at the site named in the application would be incompatible with future extension and establishment of the Highway 60-70 freeway from Indio to Blythe.

## 'Mavericks' Win Los Compadres Ride Trophy

With some guests on the fourth annual Los Compadres Guest Ride not leaving until late Monday afternoon, the local club declared the outing during the past weekend was the biggest and most successful yet.

Taking home the trophy for attendance were the "Mavericks" from San Bernardino who had 13 people in attendance. Second place was a three-way tie with 10 members each for the "Rock and Ride" group from El Cajon, winner for the last three years, Fallbrook Riders, and the Apple Valley Sage Riders.

Mac McDonald reported that Los Compadres served over 200 persons Saturday night, and 142 persons at breakfast Sunday morning. Both days were featured by rides into the desert, mountains and canyons around Palm Springs.

Art McBride, president of the Apple Valley Sage Riders, extended an invitation to Palm Springs and guest groups to attend their trail ride to be held June 21 - 23, to ride into the mountains bordering Apple Valley.

## Bonanza-Thermal Lease Renewed

Renewal of the Bonanza Air Lines lease for use of Thermal Airport for one year under the same terms and conditions was approved by the board of supervisors Monday.

The present lease expires March 31, 1957.

The rocks of Palisades Interstate Park, which lies along the west bank of the Hudson River in New York, are said by geologists to be 130,000,000 years old.

## ON MARCH 19th

## ON THE \$3,850,000 SEWER BOND ISSUE

*MR. AND MRS. HOME OWNER—WHY NOT ASK SOME QUESTIONS OF THE PROPONENTS OF THIS EXPENSIVE PLAN?*

### NO. ONE: A REASONABLE PROGRAM

Why can't we have a reasonable program embracing expansion of the treatment plant and larger trunk lines?

### NO. TWO: FURTHER STUDY

Why can't such a plan be presented to a Citizens' Committee for study — residential, realtors, business men, etc.?

### NO. THREE: WHY PROPOSED PLAN OR NONE?

Why is the City Administration so determined that we have a \$3,850,000 plan; or none?

### NO. FOUR: WHERE SEWERS ARE NOT NEEDED NOW

Why all the pressure for lines to subdivisions where sewers may not be needed for many years?

### NO. FIVE: ABOUT SANITARY PROBLEM

Why do they assume there is a sanitary problem in connection with cesspools? If that is true, why is it that some areas like Las Palmas and Merito Vista have existed more than 25 years with no problem? The highest value home area in the Desert is at Thunderbird, and no sewer lines!

### NO. SIX: SEWER DISTRICTS

Isn't it true that only one R-1 areas on non-Indian land that have had cesspool problems, had their difficulties because of inadequate cesspools where originally installed? And isn't it true that the owners have solved their problems by forming sewer assessment districts?

**MR. AND MRS. HOME OWNER — LET'S HAVE A SEWER PROGRAM LIMITED TO WHAT WE NEED, AND CAN AFFORD, AND WITH AN EQUITABLE DIVISION OF THE COST!**

"Posh" . . . Now there is a word . . . It had almost become obsolescent, but has revived in a big way . . . The Oxford dictionary defines "Posh" as meaning "money, dandy, smart, swell, fine, splendid."

To bring that definition right up to the minute, and down to earth, we find it being applied today to luxury hotels, restaurants, stores, and the like . . . In short, a "posh" hotel, or restaurant, has everything conceivable in its operation for the convenience, entertainment, and comfort, of its patrons.

SUCH AN OPERATION tries to

anticipate its patrons needs . . . So, it is well described as being a "posh" spot . . . Palm Springs has some good examples of "posh" hotels, restaurants and stores . . . But what of Palm Springs generally?

We, in Palm Springs, are trying to live up to a fabulous slogan — "America's foremost desert resort" . . . But are we living up to it? Are we posh . . . Do we have an 18 hole public golf course? . . . Do we have a convention auditorium? . . . Do we have a park and other desirable attractions for the sojourner in our midst?

We must face the facts and admit we have none of these things . . . We must also face the fact that we desperately need these benefits; and we need them now. PALM SPRINGS HAS, but one industry — the tourist industry . . . Anything that Palm Springs can do to woo the tourist should be done . . . With the help and cooperation of all our organizations — civic, social, business, service, and professional — everything should be done to meet, and anticipate, the needs and demands of our visitors; our only industry . . . Then we can be called "posh."

## Council Okehs Requests of Desert Circus

City Council Monday indicated its approval of two requests by the Desert Circus Committee. First, the Committee wanted permission for Pan American Amusement Association to set up a carnival at the Palm Springs Polo Grounds. The Association will pay the Desert Circus \$1,000 for the permission. The other was a request to allow the Circus committee to build a 24-foot long and an 8-foot wide ramp in front of the Chi Chi for the night of the Big Top Ball. The ramp will hold a small orchestra, a band, and dancing girls.

## Two Promotions In Area Sheriff's Office Reported

Lt. Ed Brown, head of the sheriff's sub-station at Banning, announced today that Harlan L. Hoffman has been promoted to the rank of sergeant, replacing John J. McCoy who resigned to join the California Highway Patrol. Desert area deputy Don Gorman, at the same time, was promoted to the rank of investigator, and a new deputy was hired for this area. He is John R. Kesner, a member of the Elsinore police department, who reports for work on March 16.

## Proposed County Building Bond Issue Cut to \$5,465,000

The \$7,074,595 estimated by the county building advisory committee last week as needed for a county building program has been pared down to \$5,465,000, the amount recommended this week to the county board of supervisors for a bond issue.

The supervisors set March 18 at 2:30 p.m. as time for reaching a decision on the recommendation.

building needs to 1970. Downs said the increase is due to the rapid growth in population, enlarging the need for services, and to increased valuation of property and rising costs of construction.

DEFEAT OF THE previous bond issue has been laid partly at least to the fact that on the same ballot there was a bond issue of \$2,404,000 for the county's general hospital. The latter issue passed and the hospital buildings are now under construction.

The committee eliminated from the 15-acre courthouse area acquisition proposed last week, one property at the corner of Orange and Tenth streets across from the county annex building. They in-

cluded in the final draft figures for the Riverside courthouse expansion area, provision for construction and improvements in an amount of \$1,703,000, making the total figure \$5,028,000 (land acquisition \$1,325,000).

OTHER ITEMS OF which the \$5,465,000 bond issue proposal is composed are as follows: branch administrative centers, \$1,345,000; agricultural center in vicinity of the University of California at Riverside, \$260,000; Corona property purchase, \$100,000; addition to jail in Riverside, \$191,000; branch juvenile hall at Indio, \$300,000; Thermal and Blythe road camps, \$141,000; and communications center at Riverside, \$100,000.

## School Board to Award Contracts for New Buildings

Awarding of bids for the building of the new Palm Springs High School auditorium and music classrooms will head the agenda at Thursday night's meeting of the Board of Education of the Palm Springs Unified School District. Also on the agenda for the first regular meeting of this month will be consideration of accepting the Cahulla building and improvement project, and a report by architect John Clark of the Nellie N. Coffman project.

## Building Office Bid Slated for County Study

An offer from Clifford W. Henderson of Palm Desert to build and lease to the county an edifice to house a building department branch office and many other county offices to serve the area, or to sell to the county some of his Highway 111 frontage at Palm Desert as a county building site, was received by the county supervisors this week and referred to Administrative Officer Clay Begole for study.

C. G. Bixel, chief building inspector, recently requested authorization to close the three offices he now has in Cathedral City, Indio and Desert Hot Springs and consolidate them into one office to be located in Palm Desert. His request is under study by the administrative officer.

## Two Orange Street Lots Appraisals Set

An appraisal of two properties at the corner of Orange and Eleventh streets across from the courthouse in Riverside, was ordered by the county supervisors this week on recommendation by Administrative Officer Clay Begole. Begole said that a church building on the corner lot could be renovated for immediate use for county offices and although it is a part of the area contained in the recommended bond issue, its purchase should not be delayed.

## Advisory Committee Advises Sale of County Farm

The county farm advisory committee recommended to the county board of supervisors this week that operations at the farm be permanently suspended without delay, that not less than 70 acres be retained by the county for use as a site for county administrative buildings, leaving in the Riverside courthouse only such departments as are needed in the downtown area. The group further said that when farm operations are terminated county agencies such as Twin Pines Ranch for boys be permitted to acquire whatever equipment they can make profitable use of, the remainder to be disposed of at public auction, and that money from any portion of the farm which may be sold put in a county building fund. The committee suggested that any farm land retained should be leased to the highest and best bidder just as soon as county farming activities are ended, but that it never again be used for dairy purposes. The supervisors commended the committee for its diligence, and said they would like a week to study the proposals. They set 11 a. m. Monday, March 18 as time for action on the proposals.

## TODAY'S SPORTS PARADE

NEW YORK (AP) — North Carolina's Yankee Tar Heels boasted an unblemished 28 wins in a row today, but for a time as they came "home" to Madison Square Garden they wished they were playing an "away" game in Dixie. Way down south in the land of cotton, the "Tar Heels" — four from New York and one from New Jersey — breezed to 27 in a row and the Atlantic Coast conference championship this season. But as the North Carolina five played before their mothers, fathers, sisters and brothers in the NCAA regionals against Yale Tuesday night, they had a hard time getting started.

IN THE PARLANCE of North Carolina Coach Frank McGuire, another New Yorker—they were "tight before the home folks." There was more to it than that. If the truth be known, the customers couldn't be blamed if they thought Yale was North Carolina and vice versa. Dixiecrats in the gallery had a tough time deciding on their loyalties. First of all, there were all those Yankees in Carolina colors. On the Yale side of the ledger, the Bulldogs had the only southern starter on the floor. He was a blond Floridian named Tom Sargent. And to make it worse, he was sided by a riotous redhead named John Lee, who just might have been kin to Old Marse Robert.

SARGENT WAS IN THE YALE play-maker and Lee was pumping them in from the outside with the unfailing accuracy of a blue-pick hound on the trail of a Carolina coon. Lee was such a headache that, when he finally fouled out, all the Yankee Tar Heels rushed over to pump his hand in congratulatory relief. But the Carolina carpetbaggers had too much for the champions of the Ivy League. Col. Lennie Rosenbluth, pride and joy of North Carolina by way of the Bronx, upheld his All-America rating by scoring a leading 29 points in Carolina's 90-74 triumph. Colonels Pete Brennan and Joe Quigg, a pair of Carolinians from the Bronx — the south of the Bronx, that is — suh — helped wear down the Ivy League opposition. Col. Bob Cunningham, a grits and gravy guard from Manhattan, could be toasted in the best corn available for his part. And Col. Tommy Kearns, out of Bergenfield, N. J., was a stalwart in the true traditions of Dixie.

## Webb Rates Favorite in TV Battle Tonight

CHICAGO (AP) — Spider Webb, Chicago's top entry among middleweight title challengers, seeks his 19th straight ring victory tonight in a 10-round television bout against Wilf Greaves at the Chicago Stadium. Webb, third-ranking contender for Gene Fullmer's crown, expected to be at least a 4-1 choice to outpunch and outbox the rough-house Greaves, a last-minute substitute. Greaves, a 21-year-old native of Edmonton, Alberta, Canada, who now makes his home in Pittsburgh, replaced Randy Sandy when the latter turned up with an injured left hand in training.

CHARLEY JORDAN, star of the 1956 Palm Springs Riverside County League basketball champions, is now the spark plug of Gonzaga University at Spokane, Wash. Only a freshman, he was moved up to the Varsity for the northwestern college finals.

## Jordan Stars in Frosh Basketball At Gonzaga Univ.

SPOKANE, Wash.—The Gonzaga University freshman basketball squad winds up a highly successful season this weekend when they meet the Washington State College freshmen at Pullman. The freshmen have a 23-win, 2 lost record going into the final tilt. The squad had a win streak of 20 straight victories before dropping a game to the Whitworth College jayvees—which they had beaten twice before—and a close one to the University of Idaho freshmen — which they later whipped. Standouts on the Zag team has been Charley Jordan of Palm Springs. Jordan, a six-foot-six center who starred on the Palm Springs High School varsity last year, led the Bulldog frosh in rebounding. Jordan was moved up to the varsity team this week for the N.A.I.A. playoffs here against Pacific Lutheran College. Jordan cracked the starting five in the opening night tilt against PLC. Jordan is majoring in education at Gonzaga.

While at Palm Springs High School he received the most valuable player award and was captain of the All Riverside County League team.

Head Basketball Coach T. H. "Hank" Anderson and freshman coach Joe Schauble expect Jordan to be a regular player on the Bulldog varsity next year.

## Tarheels Pace NCAA Tourney With 90-74 Win

By NORMAN MILLER  
United Press Sports Writer  
The 1957 NCAA basketball tournament was sticking mighty close to its tradition of no Cinderella champion today as top-ranked North Carolina paced the advance into Friday's second round. There wasn't an upset to be found in six first-rounders played Tuesday night at three different sites, or in the other first rounder played Monday night. Now the deck is cleared for these pairings in the four "regional" eliminations starting Friday night:

AT PHILADELPHIA: North Carolina (28-0) vs. Canisius (21-5); Syracuse (17-6) vs. Lafayette (22-3).

At Lexington, Ky.: Pittsburgh (16-9) vs. Kentucky (22-4); Notre Dame (19-7) vs. Michigan State (15-7).

AT DALLAS, Tex.: Oklahoma City (18-8) vs. St. Louis (19-7); Kansas (12-2) vs. SMU (21-3).  
At Corvallis, Ore.: California (20-4) vs. Brigham Young (18-8); Idaho State (25-2) vs. San Francisco (18-6).

NORTH CAROLINA overcame what Coach Frank McGuire called its "worst first half of the season" to down Yale, 90-74; Canisius took advantage of West Virginia's "jitters" for a 64-56 win; and Syracuse staged an amazing rally to beat Connecticut, 82-76, in first-rounders at New York's Madison Square Garden Tuesday night.

North Carolina ran into an inspired team in Yale's Ivy League champions, and were held even for 30 minutes. Then the taller Tar Heels pulled away from the worn-out Elis as All-American Lennie Rosenbluth took scoring honors with 27 points to 25 for Yale's Johnny Lee.

## Indians Drop First Match To Riverside

Tankmen Lose A, C Divisions; Win in Bees

By LINDSAY NEILSON

Palm Springs High School swimmers went down to defeat in their opening match of the season to Riverside Poly yesterday, 129 to 100, but Coach Wayland Reynolds was disappointed in the results.

He termed it a guide for rating the team in strength and weakness, and for where additional work needs to be done before the regular league season starts.

CLOSE RACES featured the afternoon's activities at Riverside, with losses in the individual events described as "touchouts."

Main lack of power by the Indians was in the relay action, which if won would have changed the results of the match.

BREAKING THE match down into divisions, the Riverside Varsity won 62 to 24, as did the Poly Cees 38 to 21. The Palm Springs Bees came through with a 55 to 38 victory.

As to future matches, Reynolds said "Well wait and see. In the meantime, we'll practice and practice. That's the only way."

## Pirates Take 4th Straight, Braves Win

By FRED DOWN

United Press Sports Writer  
The Pittsburgh Pirates are picking up this spring right where they left off in 1956 as the No. 1 surprise team of the major leagues.

With four straight victories, Manager Bobby Bragan's hustlers are the only team still unbeaten in Grapefruit League competition and they're playing no favorites. They've beaten the Philadelphia Phillies twice and the Washington Senators and Cincinnati Redlegs once each.

THE PIRATES MADE it four in a row Tuesday when they beat the Redlegs, 6-4, on a two-run seventh inning homer by rookie outfielder Dick Stuart. It was the second homer of the spring for Stuart, a 6-foot-3, 200-pounder who walloped 66 homers and knocked in 158 runs at Lincoln, Neb., last year.

A pair of brilliant 1-0 pitchers' duels highlighted the other games played on the fourth day of competition in the citrus circuit.

The Boston Red Sox got six-hit pitching from a quartet of young hurlers and finally beat the New York Yankees when they pushed over a run in the 13th inning.

WARREN SPAHN, Gene Conley and Red Murf collaborated in a two-hit effort to give the Milwaukee Braves the other 1-0 decision in a nine-inning game with the Detroit Tigers.

### Follows Father

TAMPA, Fla. — Pitcher Donald Lee, who is working out with the Detroit Tigers during spring training, is the 22-year-old son of former Chicago White Sox pitcher star Thornton Lee. Young Lee had a 7-3 record at Augusta, Ga., last season.

## Seniors Take Spotlight On Thursday

Championship Flight Starts Friday Morning

Coach Red Sanders of UCLA hung up a 79-74-153 gross card for two days of play at O'Donnell Golf Club yesterday to take the lead in Class A play (6-14 handicap).

With his 14 handicap, he headed the pack of almost 140 golfers in the event with a net 125.

Right behind the Bruin football mentor was D. P. O'Keefe, Los Angeles Country Club, a perpetual challenger in the O'Donnell Club Invitational. O'Keefe shot the course in 148 and with a 20 handicap, had a net 128.

SANDERS AND O'Keefe have finished their 36 hole play but their lead is threatened by several players who took off on their first 18 holes Tuesday.

Best chance to overtake Sanders and O'Keefe rests with F. W. Robinson of Long Beach who carded a 70-9-61 Tuesday, C. P. Erdman, San Gabriel, with a 71-9-62, and Ray Kelley of Palm Springs with a 71-9-62.

They will complete their 36 hole medal play today.

Tomorrow Seniors will take over for a one-day 18-hole tournament. Play started Sunday in this division which is divided into five age brackets.

THE MAIN EVENT, the Championship Flight, gets under way Friday morning with what George Howard, O'Donnell Club pro, says is the classiest field ever entered in the event, first played in 1936 and the 22nd annual renewal of which is under way this week.

Prizes in the Class A event and the Senior tourney will be awarded at a gala dinner tomorrow night in the Starlite Room of the Chi Chi.

Leaders after two days of play in the Class A tourney:

## Riverside Wins Cage Tourney Over Fontana

Charley's Barber Shop quintet from Riverside won the Riverside County Independent Basketball Tournament last night by defeating the Fontana Police 90 to 79. The tournament, sponsored by the local Recreation Department of which Howard Haddock is superintendent, and the Coachella Valley Park and Recreation District, attracted 16 teams from county and San Bernardino county cities.

Charley Erdman had 23 points and Bill Fisher, 21, to pace the winners. Gene Haynes of Fontana with 28 points was the high scorer of the evening.

The largest crowd of the season witnessed the finals which ended City Recreation Department basketball play for the season.

Feature of the evening was presentation of trophies to the Laurie's Steak Ranch five which won the City League title and the consolation round of the County Tournament.

## UCLA Dominates Coast League Cage Statistics

LOS ANGELES —The UCLA Bruins, who finished out the Pacific Coast Conference basketball season in a tie for second place, dominated the final official team statistics released today by the P.

UCLA ranked first in three departments and finished third, fourth and fifth in the other three. The champion University of California Bears were first in one category, total defense. Stanford led in field goals and Washington in field goal defense.

The Bruins scored the most points, 1171 for a 73.2 game average. They took free throw honors making 72.7 per cent of their attempts, and they controlled the most rebounds, 54.4 per cent.

Southern California scored an average of 72.2 points a game while Washington held a 71.4 average.

### Rams Sign Smith

LOS ANGELES, —Don Smith, a 230-pound tackle from Miami of Ohio, has signed with the Los Angeles Rams of the National Football League. Coach Sid Gillman said Smith would be tried as an offensive guard.

## Brown Plans Non-Title Bouts After Victory

HOUSTON, Tex. (AP) — Joe Brown, the little-known lightweight champion of the world, plans to see if he can add a few more non-title victories to his streak of nine straight wins before defending his crown again.

Brown took his ninth in a row Tuesday night with a split decision over Armand Savoie, an obscure and unranked Canadian.

There were no knockdowns, although both fighters were slightly cut. Brown moved in and slugged more often and effectively than Savoie and therefore won the fight in the opinion of Judge Bill Cornelius, who scored it 100-91 for Brown, and referee Jimmy Webb, who gave it to Brown 99-88.

## Indians Decisively Defeated By Strong Arab Speedsters

Palm Springs Indians, who only last week missed by eight points upsetting the Coachella Arabs, yesterday afternoon were decisively defeated by them 209-67 at the Date Bowl in a Riverside County League dual track meet.

Alex Alexander's Arab track teams set three new school records in the victory.

## Indian Netters Go to Elsinore

Seamus Nunan will take his Riverside County League tennis champions to Elsinore today to meet the team that managed to threaten the Warriors the most last year in their drive to the crown.

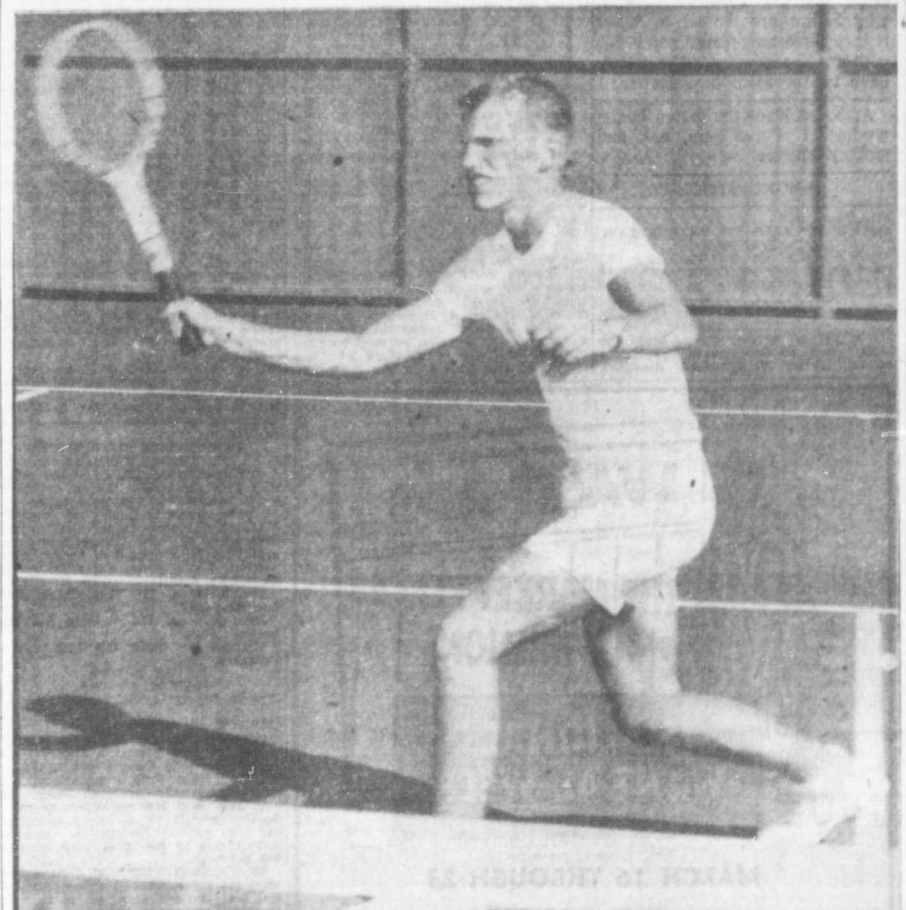

The Indians have started to duplicate the feat accomplished the last three years, going undefeated in league action. Last week they clobbered San Jacinto 8-1.

Roger Williams, second singles man, is out with a cold. Dawson Hayward, a strong tennis player on any team will now be eligible, and Fred Grim, a member of last year's successful squad will again resume action.

ROGER WILLIAMS, second singles man on the Palm Springs Indians highly rated tennis team, will not see action at Elsinore this afternoon due to a cold. Rated one of the strong men on the

high school championship squad, he will be replaced by either Dawson Hayward or Fred Grim. (Desert Sun Photo-by Chuck Grone).
